Summary: "Then I was alone." Companion piece to The Unfortunate Werewolf.

Isolation

I've been like this my entire life.

I've had to cope with this for as long as I can remember.

All by myself

I had a friend once.

Someone to walk by my side,

He was my teacher.

He stayed with me until he was killed.

It was only one month.

Then I was alone.

So alone,

I can't tell anyone what I am.

But it no longer matters.

The curse spreads,

Like a disease.

Soon it will consume us all.

Then,

Maybe,

I won't be so lonely.

End
file.
